ENTERPRISE APPLICATIONS / INFOR LN & Baan

Clear & Comprehensive Consulting for Infor LN and Baan

You're running one of the most capable ERPs in manufacturing, but getting every version of Infor LN to perform at its best takes real expertise. That's where we come in. Our consultants know your system inside and out and put decades of hands-on Infor experience to work aligning it with the way you actually run your business.

Still running Baan? We've got you covered too. Our consultants know every version of Baan inside and out, and whenever you're ready to plan the move to Infor LN, we'll guide you through that as well. No pressure either way.

Explore All Our LN and Baan Services

Utilization Review & Process Improvement

A comprehensive evaluation of your current system, with cost estimates, benefits and a plan of action.

Upgrade & Implementation

Our consultants guide you through every step, with minimum disruption and 24/7 support.

Integration & Enhancement

We connect and integrate third-party products and systems, so they run smoothly from day one.

Support & Training

Specialized workshops led by LN and Baan experts who get to know your business.

AI Solutions

Custom AI models and private, on-prem AI built on your Infor system, reducing downtime and keeping your data secure.

Cloud Migration

Seamless transfer of your entire system and operational data, backed by our partnership with Infor.

What Our Clients Say

"We sought out Crossroads RMC to be our main source of service on our aging ERP system that is becoming more difficult to maintain internally. Every task, request and email has been answered with accuracy and professionalism. We look forward to continuing our relationship with Crossroads RMC and consider them a valuable partner to our support team." IT Manager, Western Industries Plastics Products LLC

"We are very happy with the results and by all accounts the project is a success. Crossroads RMC continues to deliver extremely knowledgeable consultants and project management. We simply wouldn't have made it without them. It continues to be a pleasure working with Crossroads RMC." IS Manager, Brandt Agricultural Products Ltd

Crossroads RMC remains a cut above the rest because of experienced, hard-working and friendly people who exceed client expectations every day. Whether you're optimizing a current LN or Baan environment or planning your next upgrade, our commitment to quality services and solutions is what continues to propel your success and ours.
